SOUL IS OUR STYLE

“I finally understand the travel wellness craze after staying at this Laguna Beach hotel.”

- TRAVEL + LEISURE

MAKE HOTEL JOAQUIN YOUR OWN

In the 1940s heyday of the California Riviera, when Hollywood stars, musicians, and producers decamped to the charming artists’ enclave of Laguna Beach to reclaim their anonymity, the roadside motel that is now Hotel Joaquin was a favorite escape hatch.

Our intimate petite resort is the perfect venue for a company offsite retreat, a multi-generational family gathering, an exclusive brand launch party, or an intimate destination wedding. Our courtyard, living room, and pool deck can be configured in various ways. Guests can socialize around (or in) the pool, lounge in the courtyard, or cozy up by the fireplace and at our bar Saline.

Whether you need to host an executive retreat, a corporate think-tank getaway, or a reunion with good friends, Hotel Joaquin is an inspirational location for small gatherings. We have indoor meeting space for up to 20 people conference-style, in addition to ample outdoor event space for up to 45 guests. We can assist you with planning itineraries, excursions, bespoke catering, and entertainment.

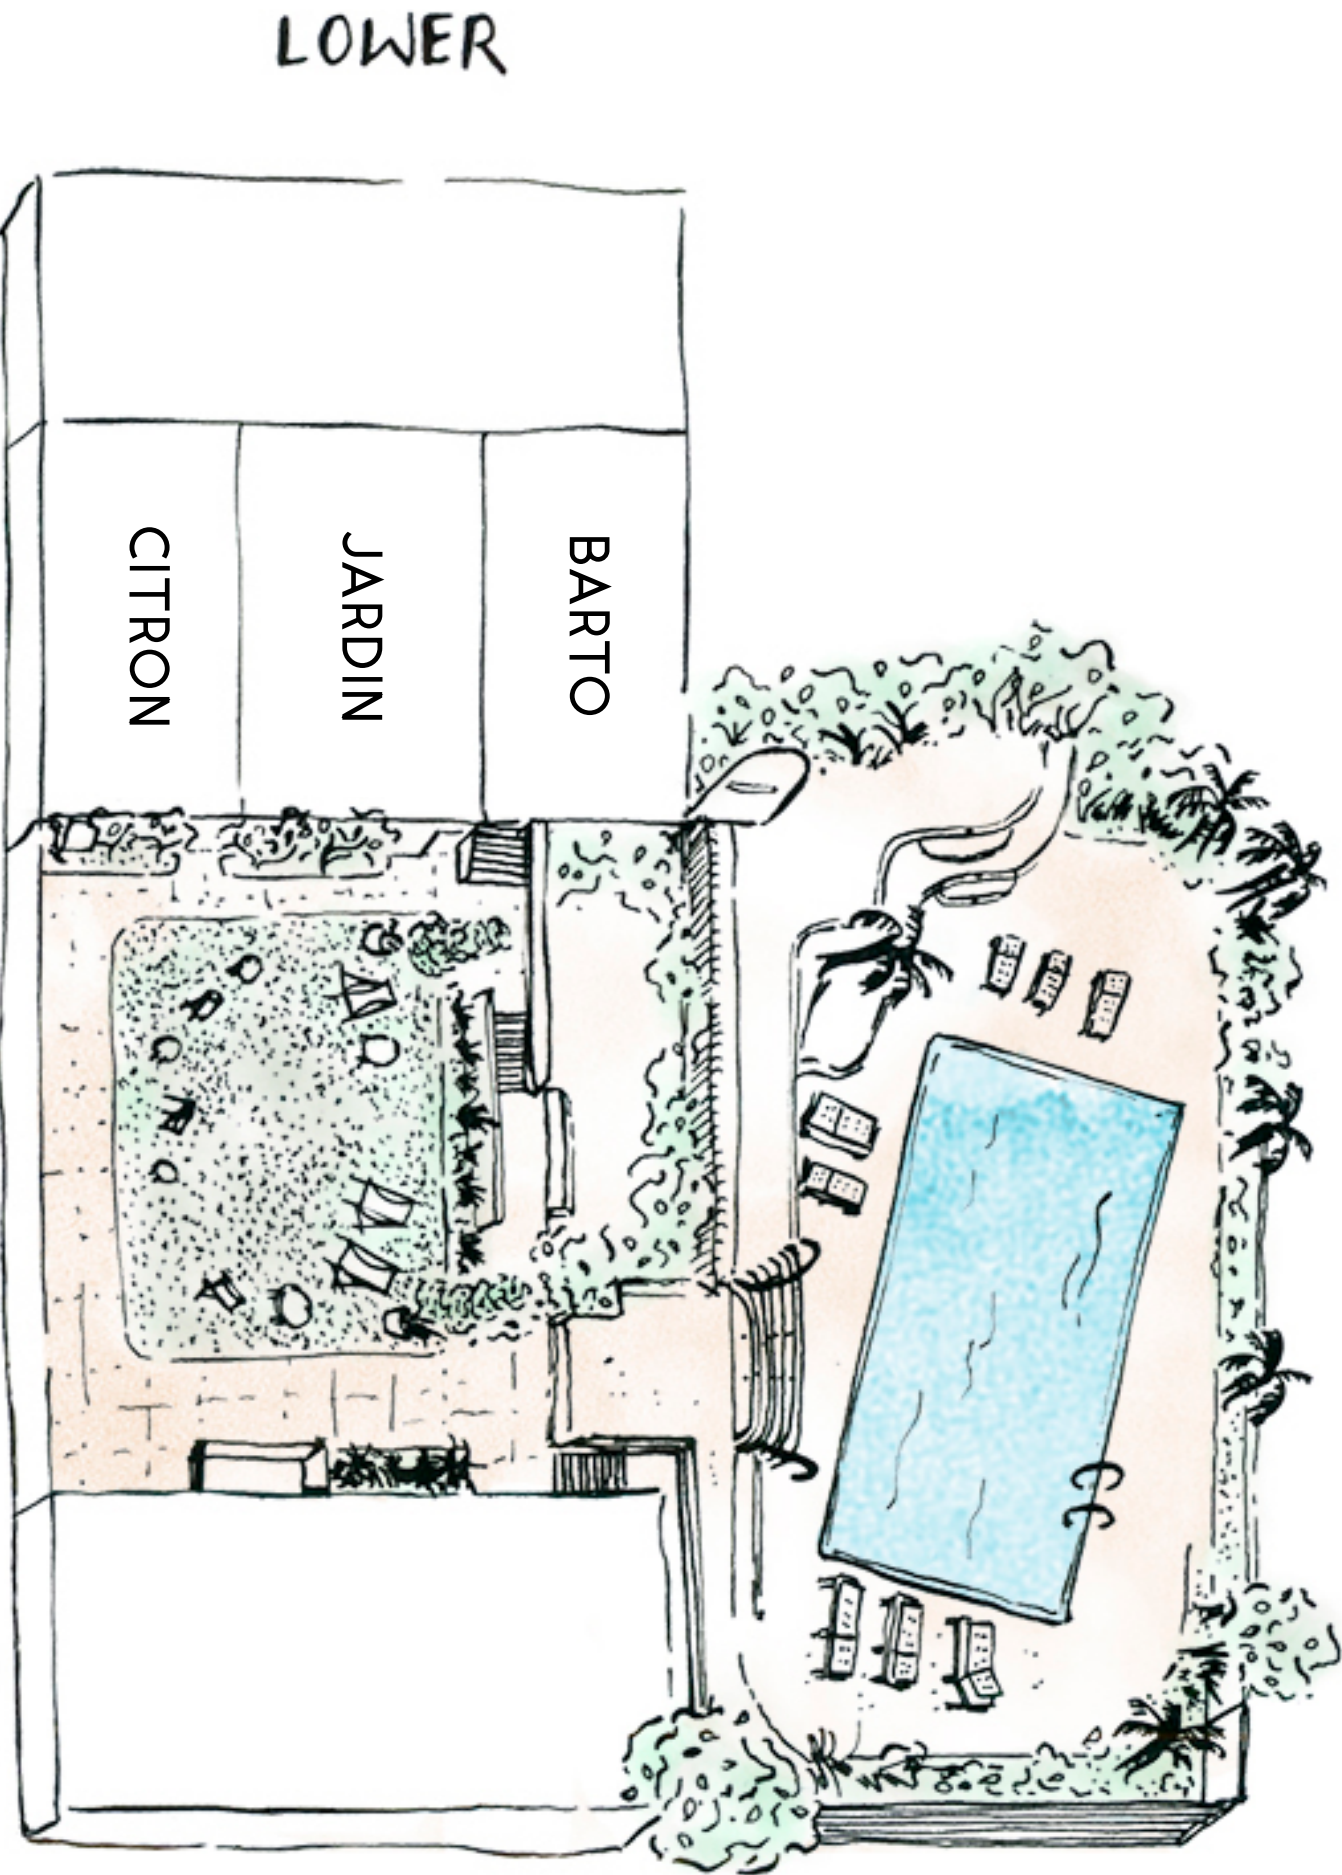

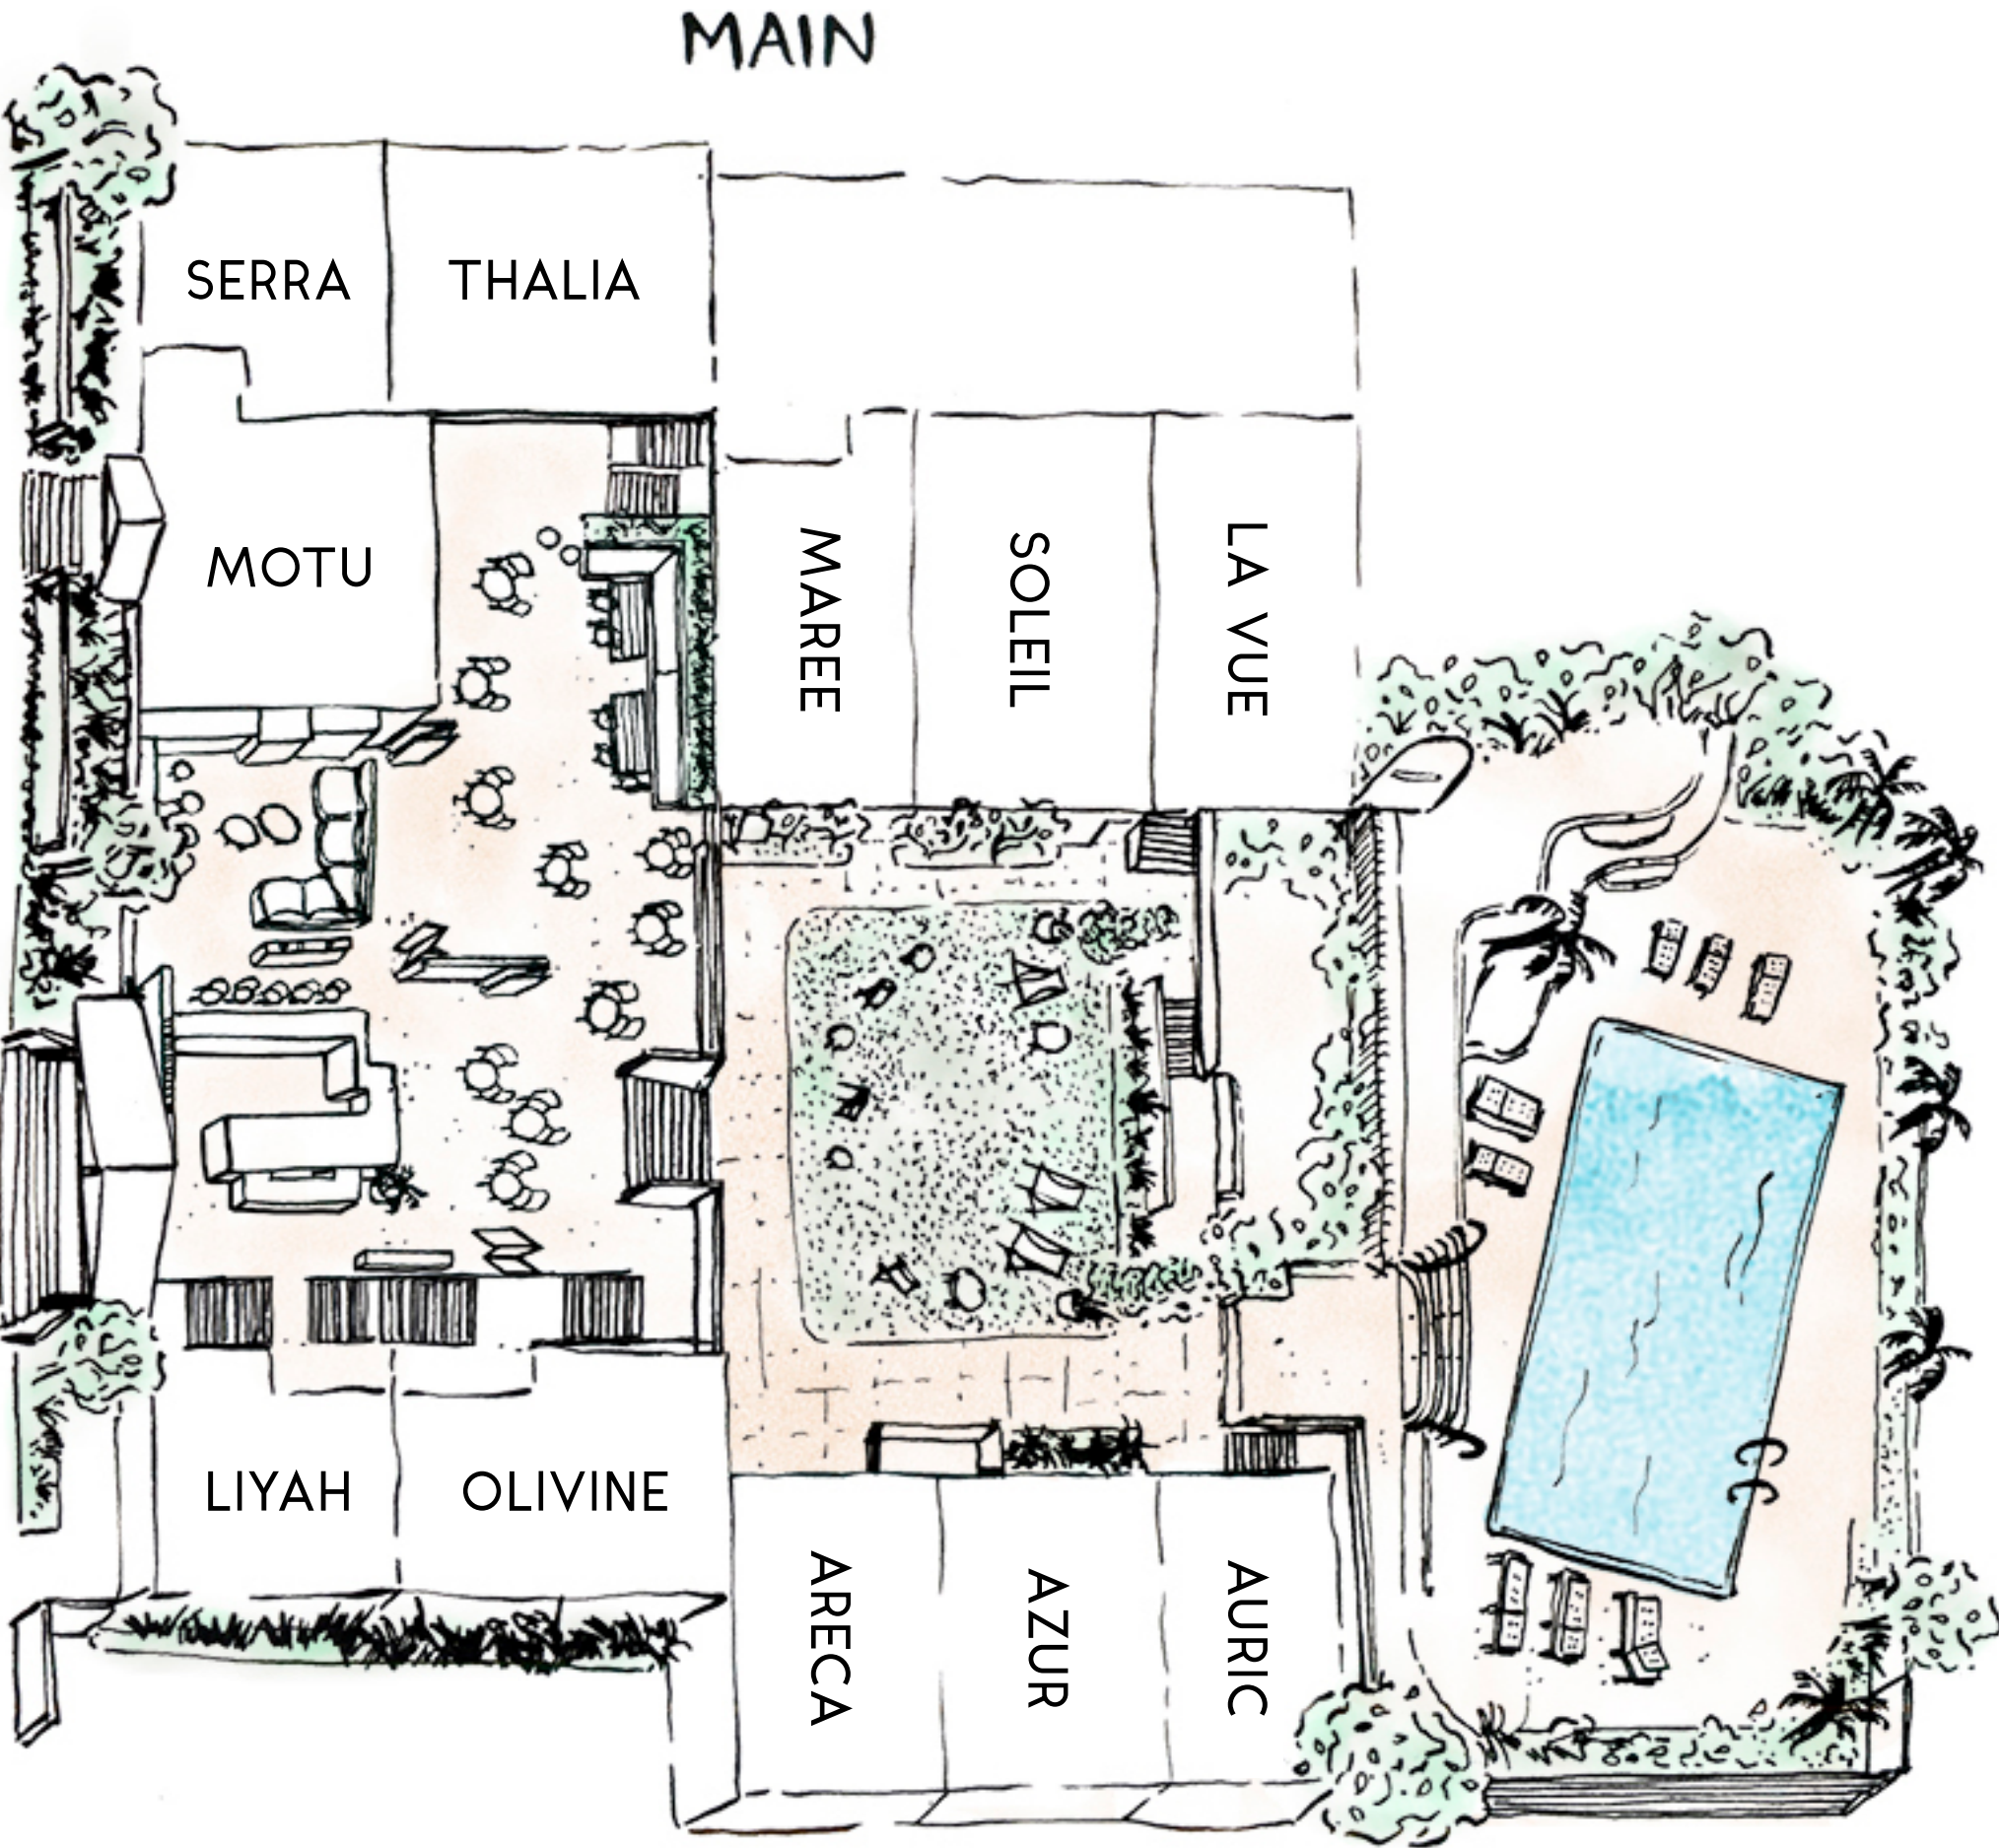

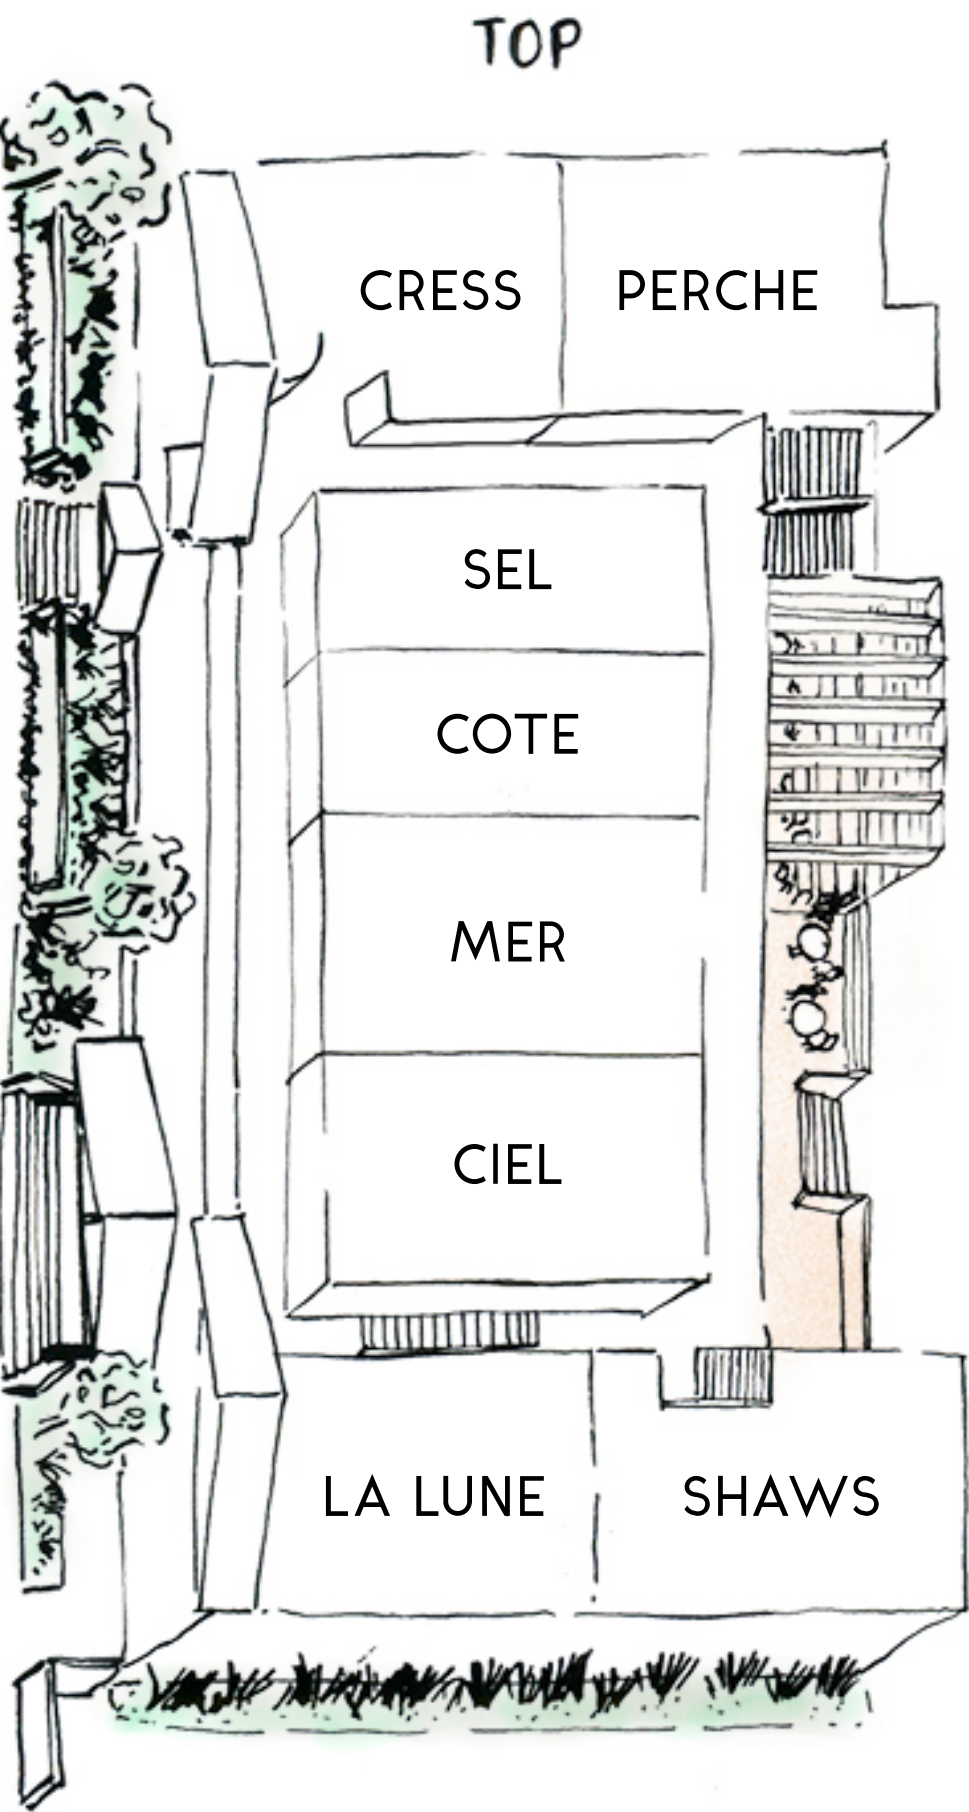

STAY A WHILE

A petite resort nestled above Shaw’s Cove, Hotel Joaquin is a hidden gem along the Pacific’s rich coastline. Included in every stay: Wake up to daily coffee delivered to your room, enjoy a nourishing breakfast from Saline, take a dip in our saltwater pool, or visit the Adventure Outpost—stocked with everything from skim boards and snorkel gear to E-bikes and beach games. During the day, enjoy beach setups at Shaw’s Cove, and in the evening, unwind with nightly screenings of classic movies or lounge in our living room, playing your favorite vinyl records.

“The whole effect is a kind of artfully undone St. Bart’s-meets-classic California bungalow style.”

- CONDÉ NAST TRAVELER

“Clear your mind as you settle in, and whenever you’re ready, Hotel Joaquin will be there to accompany you on a newfound adventure.”

Forbes

“a California beach bungalow with French Riviera style.”

VOGUE

“Hotel Joaquin works hard to evoke a glamorous-yet-grounded experience, and succeeds.”

The New York Times

“To catch a glimpse of Laguna Beach’s more laid-back, surf-centric side, skip the classic resorts for the Hotel Joaquin.”

Robb Report

“the Joaquin is a true original.”

**Condé Nast
Traveler**

“For those who want to stay stateside, Hotel Joaquin in Laguna Beach is a Pisces dream. The rooms are tranquil, homey, and impeccably designed, and it’s only a 30-second walk to a quiet little surf alcove. You need this hideaway.”

domino

“blends old world sophistication with laid-back beach vibes.”

dwell

“But just like the rest of Hotel Joaquin, its curb appeal is backed up by soul.”

**Condé Nast
Traveler**

“The public spaces and the 22 guestrooms are dressed with vintage pieces, books, record players, custom furniture and curated artwork – by coastal-driven local artists like Sage Vaughn and Danny Fuller.”

Wallpaper*

“Spread across three floors, light-filled rooms are understated and chic with French names like Azur and Jardin, beds made up with white linens and decorated with Parisian flea market finds.”

InsideHook

“Hotel Joaquin, left us feeling balanced, buzzing with inspiration and a deep sense of presence.”
